CONVER-STATIONS

FOR GRANDPARENTS

Conver-Station is a small group discussion on a school-related topic that leads to a deeper understanding and encourages grandparents to guide the conversation. Three sessions are scheduled for March 14th, March 21st and April 13th.

Grandparents will be able to:

1. Share ways to improve the home, school and community connections
2. Learn ways to support your student's growth and achievement in all four core subjects (Math, Science, Social Studies and ELA) and Career Technical Education
3. Register for Infinite Campus Parent Portal
4. Monitor your student's attendance and grades
5. Navigate the DeKalb County School District's website for information

For first time portal users, the GUID Activation Key is provided upon proof of parent/guardian on record and a photo ID.
